2nd October 2020

I would like to thank all of the children and staff for another fantastic week at school. The weeks seem to be flying past and despite the many changes as a result of the pandemic, our school continues to be a very calm, happy and productive place to be. It is a joy to walk around the school and see the children so enthused and engaged in their learning. I appreciate that for parents the school isn't as welcoming as usual but please be assured that we continue to be committed to supporting you. I will be outside, come rain or shine, so please let me know if you have any concerns, questions or suggestions.

Although the national infection rates seem to be rising quite significantly, this has not yet happened in our local area and although we have seen an increase in infection rates, it is still well below the rates reported nationally. Please make sure that you continue to follow all the safety measures we have implemented.

Have a great weekend,

Miss Pridmore
