Jubilee Crowns

The children will all be coming home with their stunning Jubilee crowns today ready to wear on Thursday 2nd June for the village crown parade. The crown parade procession will start at Carwinion Playing Field at 2:30pm. We look forward to seeing you there!

Oppie and Topper had the pleasure of creating their crowns with the help of the WI. We were delighted to welcome them back into school for the first time in a very long time!

Jubilee Celebrations

Happy Holidays!

This half term has been short term but we have achieved a lot. We want to extend our congratulations to our Year 2 and Year 6 children for completing their SATs with such enthusiasm. When we return to school the statutory testing continues as KS1 have the phonics screening and Y4 have the multiplication times tables check.

As we end this half term, we want to thank the children for always being so brilliant, we are extremely proud of all of the children for continuing to be so amazing. They really are using their God-given gifts to let their lights shine and we are very proud of them.

We would like to wish you all a very happy, sunny and relaxing half-term week and INSET days. We hope you are able to use the time to enjoy our wonderful county and some quality time with your families and friends. We return to school on **Thursday 9th June** and we are really looking forward to the final half term of this academic year.

Thank you all for the continued support that you give to the school. We really appreciate and value the time that you commit to regular reading, home learning and supporting the school. We look forward to seeing you at the village Jubilee events - the full programme of village events is at the end of the newsletter.

Very best wishes for a lovely break,

Miss Pridmore

Sporting Success

On the 24th of May Mawnan touch rugby team played in a tournament at Redruth Rugby Club. The players arrived with determination to add another trophy to the Mawnan silverware collection. Their first

game was against Alverton at quarter to 11. Mawnan unfortunately lost that game 2-0 but they put that game aside and were ready to play against Trevithick. Mawnan played well and were able to get a 1-1 draw. Mawnan had to win their next game to have a chance to get into the top league.

After lunch, Mawnan knew what was at stakes. Unfortunately, Mawnan lost that game so they would play in the shield competition instead of the cup competition but they knew if they tried their hardest and played great rugby, they could win the shield, which is still very good.

Mawnan were fired up and still had hope of winning the shield. Their first game of the afternoon they played St Mary's RC and won putting them top after the first game. Next game they played Treloweth and drew. They knew if they won this game they would play in the semi-finals and Mawnan ended up winning so they were excited to play for the finals.

Mawnan's opponents were St Mary's RC again. St Mary's ended up scoring an early try but Mawnan didn't give up and made it one all. Mawnan ended up playing eight minutes and it was still a draw so it went to next try wins. After about 2 minutes, Mawnan ended up scoring a spectacular try so they were through to the finals. They waited with anticipation for their next opponents and it turned out to be St Day. It was 0-0 still after eight minutes to play so it went to next try wins again!

The game was incredibly even but Mawnan ended up scoring a try. They were over the moon as they had just won the shield competition and they knew they would be bringing gold medals home with them today. Mawnan finished fifth out of the whole of West Cornwall (72 schools).

Parent Questionnaire

We will be sending out our annual parent questionnaire with this week's newsletter. We would really appreciate it, if you could all take the time to complete this for us. The questionnaire will help us to fully understand your view of the school and determine the ways that we can work together to continue to deliver the best education for your children.

The questionnaire also has a link to an additional questionnaire about after school childcare. A third-party provider has provided the costings and the questionnaire is to establish if there is sufficient need to proceed.

Please feel free to add any comments at the end. If you would like to make an appointment with me to discuss any aspect of your feedback, please get in touch. We appreciate your support and thank you in advance for taking the time to answer our questionnaire.
