## Welcome Back!

Welcome to the summer term at Mawnan School, we hope that you all enjoyed the wonderful weather and some family time over the holidays.

We are optimistic that this term will go smoothly and that we can begin to enjoy some of our summer term traditions together as a school community.

We have had a brilliant first week of the new term and we could not be prouder of the children's brilliant behaviour, efforts and attitude to learning.

Best wishes to everyone for a lovely weekend,

*Miss Pridmore*

## Upcoming Events

Please put these dates in your diaries:

**April**

**W/C 26<sup>th</sup>** – Parent Teacher Meetings via Zoom

**May**

Well done Fusion Class for having the highest attendance this week.

# Our school value for this term is 'Perseverance'.

## Parent Teacher Meeting

We have our second round of parent teacher meetings for this academic year planned for next week (w/b Monday 26th April). These meetings will be via zoom and the teachers have already informed you of your individual meeting date and time via Class Dojo.

We are really looking forward to meeting with you to discuss your child's progress.

## Ofsted Parent View

We normally ask you to complete a questionnaire at this term's parent teacher meetings and this year we would be incredibly grateful if you could complete the Ofsted Parent View online questionnaire.

Our Ofsted inspection window is now open as our last inspection was in 2017. The information gathered through Parent View will play a valuable part of our next inspection. Thank you so much for your support with this.

## MAWNAN SCHOOL NATURE GARDEN

We had a fantastic 2 weeks building the school garden over the holidays!

Thanks to the hard work of our selected contractors, and a dry weather window, we now have the structure of our new garden in place. The children have really enjoyed exploring the new space, and we can't wait to continue its development with lots of planting.

Do follow our progress on Instagram and facebook @mawnanschoolnature

We are incredibly grateful to Zinnia for project managing this over the Easter holidays.

## COVID-19

There have been no changes to Covid guidelines for schools so our safety measures remain in place. Whilst in school, we are not missing classes, we have routine handwashing, the staff are wearing masks when not in their bubble classrooms and adults are still maintaining social distancing.

### **To keep us all safe please continue to follow our safety plans:**

- If your child or anyone in your household is displaying symptoms or awaiting the outcome of a test, do not come to school - you must self-isolate the whole household during this time

- Maintain a 2 metre distance from other families and staff whilst at school
- Wear a face covering when you are on the school grounds
- Do not come into the school building
- Arrive at the correct staggered time for drop off and pick-ups (only one parent to drop off)
- Swiftly exit the school grounds
- Do not gather in groups
- Keep the one way system clear so everyone is able to safely enter and exit the school grounds
- Follow the government's current guidance outside of school at all times

We will continue to follow our risk assessment, in line with government guidance, and communicate any updates as they come to light. The safety of the children, staff and families remains paramount and regulations are closely adhered to, at all times, in school. Please continue to support us by following our guidelines.

## **Lateral Flow Tests**

Anyone who does not have symptoms can now get regular rapid lateral flow tests to check for COVID-19.
