### **Year 4/5 Homework Grid– Summer 2- Awe and Wonder: Mythical Lands**

I have designed this homework grid to be as supportive as possible towards each child's needs. Reading is a strong focus in our class and I have therefore made implicit links between the class book and the Reading HW. Each week please complete **one Reading HW** (please complete all of the reading tasks in order and try to take no longer than 15 minutes) and a minimum of **15 minutes** on one of the maths options throughout the week would be brilliant at recapping work they have done in the past. Reading HW should be put into the Homework Book for **marking on a Monday**. They should make a minimum of three reading comments per week in the homework book. These will be used in a final piece of writing at the end of term.

The 'Spellings' are some of national curriculum sounds. These will normally be **tested on a Friday**. There will be points for both spelling and handwriting (2 marks for each word).

**Thank you for all your support.**
